

Get Moving is an innovative youth relocation employment program to assist young Australians to find employment in growing labour markets.

Get Moving is a no cost service to provide your business with suitable, job ready 18-24 year old employees.

Get Moving offers a mentoring service to ensure you and your new employee are happy for the first year of employment.

Our commitment to you.

- Providing pre-screening services at no cost such as police checks, health assessments (including drug/alcohol testing, psychological and medical).
- Arranging and providing appropriate work clothing and licensing.*
- Assisting in the set-up of apprenticeship or traineeships by minimising administration requirements.
- Arranging wage incentives up to the amount of \$10,000 over a six month period for people under the age of 25 years, where a minimum average number of hours are worked.*
