

Frequently Asked Questions

1. What criteria do I have to meet to be part of the program?

You must be 18-24 (inclusive) years of age, currently looking for work and living in one of our “selected areas”. You also must be willing to relocate (move to another place a minimum 2 hours away) for full-time, ongoing employment opportunity.

2. What are the selected areas that I must live in?

You must be living in either Adelaide North, North West Country SA, Hunter (exc. Newcastle), Northern Melbourne or Barwon regions to be part of Get Moving.

3. How can I be referred to this program?

You can be referred by your employment service provider (e.g. jobactive, TTW or DES) or you can self-refer by contacting Get Moving team directly.

4. I’m currently participating in Transition to Work (TTW). Can I participate in this program too?

Yes, since September 2017, TTW participants who are over 18 years old can also participate in Get Moving!

5. I have a cousin who wants to move with me for work but she is not registered with Centrelink. Can she move with me?

Yes, as long as she meets the criteria in Question 1.

6. When moving to my new place, do I have to pay for my household items to be moved?

No. Moving your household items and relocation assistance will be provided at no cost to you.

7. Do I have to pay bills at the new place?

Yes. Once you have moved to the new place for work, you will be responsible for managing all your own living expenses.

8. Are you going to help me set up at the new place?

Yes. Get Moving Mentor will assist you with furnishing the new home, connecting utilities, grocery shopping, etc.

9. What if I don’t want to move?

If you don’t want to move (see Question 1) then this is not a program for you. You may continue to participate with your current Employment service provider to find work in the local areas.

10. Can providers other than Workskil refer young people to Get Moving program?

Yes, Employment Providers within the selected areas are encouraged to refer eligible clients. (See Question 2 for “selected areas”)
